3 SIMPLE STEPS

FOR

Creating a Romantic Evening at Home

STEP 1: Create Ambience

An easy way to set the mood is to create a romantic atmosphere for your loved one at dinner. Simple touches, such as a new tablecloth, candles, and a small floral arrangement can make your everyday dinner table rival that of a 4 star restaurant.

STEP 2: Prepare a Memorable Meal

When preparing a meal for a special occasion, try to keep it simple. You want to spend your evening enjoying your loved one, not in the kitchen assembling a complicated meal.

STEP 3: Give a Loving Gift

Consider giving your loved one a piece of your heart, by writing a heart-felt letter telling them how you feel.
